# Evangelical Methodist Church's General Conference 2026

## We're Looking Forward to this Exciting Event!

In today's world of apps, devices, and scores of electronic meetings, we need more of the human touch ... more CONNECTION. Our General Conference in July is just what we need. Our annual Journey meetings are wonderful, but they are, by necessity, quite short and only regional. General Conference is an opportunity to deeply interact with other pastors and church leaders in ways that expand our horizons, encourage our devotion, and increase our effectiveness.

**WHO:** Every single EMC Church is empowered to send five voting delegates, in addition to every person holding an EMC ministerial credential.
